RULES

OF THE

Agricultural Society of Ceylon.

1. The Society shall be called "THE AGRICULTURAL SOCIETY OF CEYLON."

2. The business of the General Society shall be conducted through the Board of Agriculture of Ceylon.

3. The Board shall meet for despatch of business once a quarter. Seven members shall form a quorum.

4. Notices of motions or questions shall be sent to the Secretary at least one week before the meeting of the Board.

5. All motions will require to be seconded and will be circulated before the Board meets.

6. A General Meeting of the Society may be called by the President at any time and may be held at any place to be fixed by him.

7. All members of the Board will be nominated by the President.

8. Candidates for membership of the Society must be proposed by a Member of the Board for the district in which the Candidate resides or owns landed property.

9. Members of the Society resident in Ceylon shall pay a subscription of Rs. 10 per annum; Members resident outside Ceylon Rs. 15 inclusive of postage.

10. Payment of the subscription in advance will entitle a Member to receive the publications of the Society. All subscriptions shall be paid to the Secretary of the Board.

11. Lists of Members will be published.

12. Local Societies may be formed with a Membership of not less than twelve Members.

13. Each Local Society should be represented by a Secretary, through whom correspondence with the Board can be conducted.

14. All Local Societies shall be registered at the Local Kachcheri and by the Secretary of the Board.

15. The Revenue Officers of the Province and District shall be *ex-officio* Members of the Local Societies within the Province.

16. Local Societies are empowered to make their own rules.

17. All Local Societies will be entitled to receive all publications of the Society on payment of an individual subscription.

18. The funds of the Agricultural Society will be lodged in a Bank in the name of the Agricultural Society of Ceylon. The Secretary will be responsible for the accounts, and all cheques will be signed by him and the President or a Vice-President of the Board of Agriculture.

19. A statement of Expenditure incurred, &c., shall be tabled at each meeting of the Board.

20. All grants-in-aid of Local Societies or special experiments must be approved by the Board.

21. All accounts will be audited annually.
